SPACA Joins ACIF: Strengthening Regional Ties in the Coatings and Ink Industry

***November* 2024**

We are pleased to share that the **Singapore Paints and Coatings Association (SPACA)** is now a proud member of the **Asia Coatings and Ink Federation (ACIF)**—a regional alliance established in 2022 to foster collaboration, innovation, and sustainable development in the coatings and ink sectors across Asia.

Initiated by the China National Coatings Industry Association (CNCIA), ACIF brings together associations and enterprises committed to advancing quality and cooperation in the industry.

SPACA President **Ms Pamela Phua** has also been appointed as a **Vice-President of ACIF**, further underscoring Singapore's leadership role in the region. Through SPACA's active involvement in ACIF, several meaningful exchanges and events have taken place, further deepening partnerships and industry dialogue across borders
