INDUSTRY CONSULTATION & DIALOGUE
SPIA-NEA-SBF

June 2022

In June 2022, SPIA was honoured to collaborate with NEA and SBF in a meaningful industry dialogue session ahead of the release of ***Singapore's new indoor air quality guidelines****. The session marked a significant step in uniting public and private sector efforts to promote healthier indoor environments and reflected SPIA's deep commitment to advancing shared goals through trusted partnerships and open exchange.*
