SPACA Launches with New Identity and Leadership for 2025–2026

March 2025

We're proud to announce that our association has been renamed to **Singapore Paints and Coatings Association (SPACA)**—a name that reflects the broader scope of today's dynamic industry.

Founded in 1984 as the Singapore Paint Manufacturers Association (SPMA), the association has evolved through the decades, most recently as SPIA. This latest transformation reinforces our commitment to innovation, collaboration, and continued leadership in the paints and coatings sector.

We're also pleased to welcome our new Executive Committee for 2025–2026:

- **President:** Pamela Phua
- **Honorary Secretary:** Paul Lim
- **Honorary Treasurer:** Satoshi Sekiguchi
- **Council Members:** Alvin Yeo and Teng Yew Heng

SPACA looks forward to shaping the future of our industry with fresh vision and renewed momentum.
